

The ladder accessory tool that fits right in the rung of a ladder.

Keeps your tools handy and saves you trips up and down your ladder. You will be able to finish your job faster and cleaner using the Monkey Grip. It can be used for numerous solutions, tool storage and more!

- 5/8" Solid aluminum rod – anodized and bright dipped to eliminate electric current and maximize durability against wear & tear.
- Includes Interchangeable stainless steel attachments to securely hold ANYTHING you need while working on an extension ladder.
- Rated to hold up to 15lbs!
- Locks securely through the D-Rung of Any Brand D-Rung Extension Ladder in seconds with No Tools or Screws Required!
- Monkey Grip comes with a hitch pin to hold product to ladder, and a thumb screw to secure attachment to the tool
- Lightweight – The Monkey GRIP weighs less than 1lb!

The Monkey GRIP is a simple and easy to use tool which works with many ladders in the market today. It can be used on the left or the right side of extension ladders at any height. It simply slides into the rung of the ladder and has a safety clip to ensure the Monkey GRIP stays in place. You will no longer have to go up and down ladders while you're working. Keep everything you need by you and improve your work efficiency and safety.

The Monkey GRIP is perfect for any worker, painter or homeowner.
